

Align Marketing Materials

Helen Wang
March 16, 2015

Description: Keep track of “when” the people are in your life! Align helps you visualize what time it is where your friends and family are regardless of which coast, country, or continent they may be on. Easily convert, compare, and coordinate time zones across the globe to schedule calls or plan activities.

Category: utilities

Keywords: time, date, hour, minute, zone, coordinate, meeting, schedule, organize, plan, global, worldwide, international

Age group: 4+
